

Afternoon gentlemen,

Just a reminder about this new tournament, we have designed this like an outing without the high cost, members can build their own team.

This event includes green fee's, cart, cookout with a raffle upon completion.

All players will be entered into a raffle for their participation.

This is another great way to introduce guest to the men's club.

Cost per player \$85 (\$44 for annual members) awards will be provided to the top finishing team.

As most of you know outings range any where from \$100 and up, then you purchase your raffle tickets, so our thought is to make this less expensive start earlier and just enjoy the day with good friends and good food.

Jeffrey T Welch Pres. CKMGA.
