

## Ryder Cup Event – revised 6/17

This is a two-day event requiring participation both days (July 15<sup>th</sup> & 16<sup>th</sup>). Players will be drafted onto one of two teams (Red or Blue) by assigned captains. Day 1 is 27 holes, played as two-man nine hole matches (best ball, alternate shot and scramble format). Day 2 is 18 holes single matches. Team points will be kept over the two days to determine the winner. All play is net, full handicap.

Upon completion of play on day one the team captains will get together with the Club Pro (Jeff) and President (Mugsy) to draft the singles matches. Participants are encouraged to attend if possible.

Advance Registration is required for this event (by July 9<sup>th</sup> this year). The cost per player is \$40 in addition to regular 18 hole green fees each day (only pay for 18 Saturday but play 27). The registration fee is due at the time of sign-up.

Participants will receive a commemorative gift as well as a voucher for food (sandwich or appetizer) and a beverage. Prizes will be awarded to the winning team. **The Club contributes \$960 to this event!**

The field is currently set for the first 24 players to commit. An alternate list will be established for anyone interested but not in the first 24. If possible, based on course availability and proper number of alternate requests the field MAY be expanded.
