

2012 Cedar Knob G. C. League Agreement

_____ Golf League guarantees to submit to the following rules and regulations.

1. League play will begin on _____, 2012 and end on _____, 2012
2. The cost per nine holes is \$19.00* per person (1.00 discount off of regular rate)
3. League play is on a guaranteed basis regardless of weather or inability to play, unless management closes course. If the league makes the decision not to play when the course is open, the entire payment for that date must be paid no later than the next scheduled date.
4. The playing season for leagues includes every week beginning prior to May 1 through Labor Day unless Management approves other arrangements. There will be no league play scheduled on Memorial Day or Independence Day.
5. One person from each league will act as the liaison between the league and Management.
6. The liaison will be responsible for making the total payment to the Pro Shop, based on the number of golfers agreed upon with Management at the beginning of the season. This number and dollar amount does not fluctuate from week to week even if some of your players do not show, as the course is reserving a set number of times for your league.
7. No excuses will be accepted for tardiness. Starting times will be forfeited if the league is not present at the reserved tee time. We must keep play moving. League must clear starting tee five minutes after their last assigned tee time.
8. Local and USGA rules govern all play. Slow play is a major problem and will not be tolerated. A ranger will monitor all league play to ensure prompt completion of rounds.
9. ABSOLUTELY NO COOLERS allowed on the Golf Course.
10. Dress code policy will be strictly enforced. The Dress Code Policy is, appropriate golf attire, no ripped or torn clothes, cutoffs, sweatpants, tank tops (men and women), tube tops, tee shirts, boots, high heels or football style cleats. Pro Shop staff has final say in this matter.
11. Management will not tolerate any abusive behavior toward the Golf Course Staff, carts or the course itself. Management reserves the right to deny play to anyone in violation of course rules.

Requests for league reservations must be made in writing. Management will assign starting times.

Liaison Name: _____ Number of players _____
Address _____ E-mail _____
